Honorable Senator Arthur Capper
U.S. Senator from Kansas
U.S. Senate
Washington, D.C.

Dear Senator Capper:

The University of Kansas Basketball Team is playing Fordham in Madison Square Garden on the 28th; also playing Temple in Philadelphia on December 30.

On the morning of the 31st, we desire to go to Washington, D.C. and visit as many points of interest as possible during our short one-day stay. I especially desire the team to see, in addition to the other interesting places, the F.B.I. Building and its workings.

I would greatly appreciate it if your secretary could communicate with Mr. J. Edgar Hoover's secretary, and arrange for our coming on that date. If we can have the courtesy of being shown through the Building, we will be very grateful.

Of course, we will want to see you, but we will also realize that these are busy times and we certainly will not encroach unduly upon your valuable and busy moments.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
