Col. L.E. Hibbs
Graduate Manager of Athletics
U.S. Military Academy
West Point, New York

Dear Col. Hibbs:

May I take this means of expressing to you our deep gratification for the splendid hospitality you and your aides showed us when our University of Kansas Basketball Squad visited the Academy. In thinking of Major O.K. Niess, Medical Officer of the Squad; Capt. Ed. Messenger, Officer in Charge of Basketball; and Roland Logan, Head Trainer, it seemed as if each outmatched the other in endeavoring to serve us. All of us were tremendously impressed and I want you to know that at no place in our travels did we receive such cordiality.

We were sorry indeed that we did not have the pleasure of meeting you in person, but you had things so well organized that there was not a moment's delay in giving us far more than we deserved, but at the same time it made us especially happy to be in the hands of such good hosts.

Again thanking you and wishing for you and yours a Happy and Prosperous New Year, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
