

July 12, 1941.

Mr. Bob Raugh,  
Troutdale in the Pines,  
Evergreen, Colorado.

Dear Bob:

I am sending through your appointment today and as soon as we get it signed by the proper officials, the Dean of the School of Education and the Chancellor, we will notify you. I hope we may get word to you next week, because we anticipate nothing to delay a confirmation of your appointment.

I want to assure you that we shall enjoy having you with us during the coming year.

Sincerely yours,
