Mr. Claude A. Welch,  
Superintendent of Schools,  
Pawnee Rock, Kansas.

Dear Superintendent Welch:

It was most generous of you and your colleagues to include the extra stipend, for which I am duly thankful. However, I had some bad luck by getting some water in my gasoline, and when I went on through and past Emporia I had to call for some assistance from the Buick people. I managed to limp home, and then took the car down to the garage and had it fixed up, so I am on my way to Kansas City, Kansas, for another trek.

I stayed at McPherson, got four hours sleep and felt refreshed enough to come on in to Lawrence in the very lovely morning sun.

Again thanking you, and assuring you that I enjoyed meeting so many of your fellow townsmen and good friends, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
