Mr. Claude A. Welch,  
Superintendent of Schools,  
Pawnee Rock, Kansas.

Dear Superintendent Welch:

I will be glad to speak at your annual athletic banquet project on April 4th. Your letter which was written in such a fine vein caused me to accept immediately.

It may be necessary for me to drive my car to your place, which will increase the expense, but that has not been the first consideration. I am to speak at the Business and Professional Women's Club here in Lawrence on the evening of the 3rd and on the 5th I must be back in Kansas City, Kansas, to speak there. So I am afraid the train connections are not of the best. But you may count on my being present.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
