Dear Sir:

I had the pleasure of attending Coaching School at Topeka this summer under your supervision. I enjoyed your talks and lectures so much, I was sure you probably had one you could deliver at a Commencement address. The High School Senior Class here at Bazine also selected your name out of a group of names given them. If you do have such an address you could deliver on such an occasion, what would be your charge?

We would like to have you the night of May 17.

Thanking you for an early reply,  
I am

Sincerely,

Paul H. Andree  
Principal
