Mr. Frank L. Hunn, Principal,
Atchison County Community High School,
Effingham, Kansas.

Dear Mr. Hunn:

Thank you very much for your letter and check of April 30.

I have had rather bad experiences with my Buick. I have paid over \$80.00 in the last two months on repair. Twenty dollars seems like a good deal for expenses, but after figuring my travel expense and what I have received from my trip, I find that I am hardly breaking even. If you feel that you want to add \$5.00 additional to your expense of that evening, and would mail me an additional check for \$5.00, I assure you I will be very happy to receive it.

I am sure that you will understand if you drive a car how repair bills pile up, if your car is three or four years old. I have never wanted to make anything on my speeches, but since the University and the State do not provide an expense account, I feel that I should not be penalized for doing this service.

With kindest regards and best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
