Dear Mr. Allen:

Thank you for your letter giving us the topic of
your address for our high school commencement.

We were requested to schedule the exercises to be-
gin at 9:00 p. m. because of the farmers who must do their
chores and drive in from the country. I sincerely hope this
does not make it too late for you.

You will probably find me at the school building when
you arrive in Reading.

Sincerely yours,

Russell McCoy
