Mrs. Edwin FitzGerald,
Beattie, Kansas.

Dear Mrs. FitzGerald:

I am complimented in your asking me to deliver
the commencement address at the Beattie High School on
May 17th.

I would be very happy to speak up there if I can
arrange the transportation. If I should be fortunate in
having another commencement in that vicinity I am sure
that I could arrange it. They have been paying me \$25.
for the address, but the transportation item is the diffi-
cult one. If I could get another speaking engagement in
that vicinity I am sure that it could be arranged satis-
factorily.

Please let me know what you think of this tentative
arrangement.

Very sincerely yours,
