Mr. W. S. Kennedy,  
The First National Bank,  
Junction City, Kansas.

Dear Rotarian Kennedy:

Our Douglas County Selective Service Board, of which I am secretary, meets Tuesday morning from ten until past noon, so it will be necessary for me to drive to Junction City. I will come to the high school cafeteria at 10th and Adams Street, and am planning to be there on or before 6:30 p.m. Tuesday evening, March 7th.

I will plan on driving back at least a part of the way Tuesday night. Being chairman of the County Red Cross War Fund drive, and having classes here the next morning will keep me moving, but I will be happy to be with you good people.

Rotarily yours,

FCA:AH

President.
