Mr. W. S. Kennedy, President,
The First National Bank,
Junction City, Kansas.

Dear Rotarian Kennedy:

I find that I have March 7th open at the present time since our basketball season closes on March 3rd. I am sure that I can get away after the meeting of our Douglas County Selective Service Board. We meet each Tuesday from 10 until 12, and I happen to be secretary, so I am sure that I can arrange it.

It would be a pleasure to speak to your Junction City High School basketball team on that evening.

I do not make a charge for the address but I find that I have to figure expenses fairly liberally as a fellow always loses on a trip if he counts merely railroad and hotel. The state makes no provision for such travel, and it is wholly up to the individual in taking care of his own expenses.

Rotarily yours,

FCA:AH

President.
