Mr. Harold W. Copp,  
Department of Intramural Sports,  
University of Michigan,  
Ann Arbor, Michigan.

Dear Mr. Copp:

I beg your pardon for my failure to answer  
your kind letter of June 19th before this time.

We were unable to get the appropriation for  
our men's department that we desired, and for that  
reason are planning to use some scholarship students  
to handle a part of our classes.

I enjoyed our correspondence with you, and  
trust that your prospects for next year are working  
out to your satisfaction. I am returning your  
credentials to the University Bureau of Appointments.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
