Mr Gwinn Henry,
Director of Athletics,
University of Kansas,
Lawrence, Kansas.

Dear Mr. Henry ;

I have been informed that Mr Raport will not be with you next year as coach of swimming. If such is the case I would like to know more about the vacancy with the view in mind of making a change.

Since coming to Michigan State College thirteen years ago, my teams have been successful in winning a great majority of their meets. The schedule has regularly consisted of such teams as the Univ. of Michigan, Ohio State, Purdue, Indiana; The Univ. of Kentucky, Northwestern, Univ. of Wisconsin, Western Reserve and others of similar ranking.

In March of this year I conducted and managed the largest National Inter-Collegiate Swimming Championships ever held, and I am sending you a copy of the program.

I am sure that you knew my father who coached swimming at Iowa State College for many years. Give my best regards to Herb. Allphin.

Hoping to hear from you soon in regard to this matter I am,

Sincerely yours,

R.B. Daubert
