Dear Dr. Allen:

I have your letter of July 2nd, and want to say at this time that I have made up my mind definitely that I want to work on my Master's at the University of Kansas this fall.

The scholarship you have offered me will be greatly appreciated, and as you said, I am sure that I can pick up enough officiating to aid me the rest of the way. Mr. Henty may be able to help some too.

I will wait until I receive another letter from you before I tender my resignation to Mr. Dennen. I believe I told you in my first letter, that I will be unable to get a release from my contract after July 31st.

I have been wondering if you received my credentials from the University of Nebraska. I requested that they be sent to you some time ago. Should you desire any other information concerning myself, I will be glad to send it to you at your request.

With kindest personal regards, I am,

Yours very sincerely,

Bob Raugh
