Mr. Don Isett,
Metropolitan Supply Co.,
Cedar Rapids, Iowa.

Dear Don:

I am hastening a reply. It will be perfectly all right if you wish for me to speak to the Lions Club. I would not cover the same material and it is always a pleasure for me to meet business men and executives when I go to other communities. If you want to set that up you have a free rein.

It is also entirely satisfactory to have a basketball clinic with the high school boys. This work is not fatiguing for me. I assure you I will get as much kick out of it as the rest of the people working with the boys.

So don't worry about what previous arrangements you have made because the honorarium is enough to pay expenses and have a little change on the side. I never evaluate my services in the light of more money.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
