DON ISETT . . . is serving as general chairman of the annual Y.M.C.A. all-sports banquet scheduled for April 13 at the Y.M.C.A., featuring the appearance of Dr. Forrest "Phog" Allen, famous Kansas university basketball coach, as principal speaker. Isett is a former student at Kansas U., and the fact that he was personally acquainted with Allen enabled the committee to obtain the nationally-known cage mentor for the date here.
