Dr. Forrest C. Allen,  
Kansas University,  
Lawrence, Kansas.

Dear Dr. Allen:

Booking commencement speakers seems to be the order of the day. Yes, we need one too, and you have been recommended to us as being an excellent one. A recommendation really isn't necessary for I have heard you on numerous occasions, the last time being at a Marysville commencement.

Would you be interested in coming to Beattie for the High School Commencement, On May 18? If so, will you please state your price.

I shall appreciate an early reply, so that this matter may be settled soon.

Sincerely yours,

*Mrs. J. W. Skidmore*
