Mr. Dick B. Evans, Principal,  
Miltonvale Rural High School,  
Miltonvale, Kansas.

Dear Dick and Mrs. Evans:

I want you to know how very happy I was to be in your very hospitable home. I enjoyed every minute of it and I want you to know that I appreciate your kindness.

Mr. Belisle took us over to Clay Center in jig time and I got home at one o'clock. But of course I had to read the newspapers and mail, and got to bed at 2:30. But it was a fine trip and I want you to know that I enjoyed the same.

With all good wishes to your fine family, I am

Sincerely yours,
