Dear Cob:

I thought you would like to know what Ab Hinshaw wrote. I wrote Ab and said that I had learned he said I put him on the spot. Of course, I did not tell him where I got the information, not did I even bring it up in a pointed fashion, but I explained to him why I acted as I did.

I just wanted you to have this information and to know what Ab had to say regarding my letter to him.

We got lucky against Missouri and the Aggies, but we will have a tough game up at Ames.

It was swell to see you and Dorothy down in Oklahoma, even though we did get licked.

Cordially yours,

Director of Physical Education,  
Varsity Basketball Coach.
