Dear Mr. Allen:

In answer to your letter of April 6, I wish to say that we have decided to have our athletic banquet on Wednesday, April 29 at 6:30 P.M.

I might say that our school has health and physical education classes for both the boys and girls grade and high school. We have a girls and boys grade basketball team, six-man high school football, basketball, tennis and baseball.

This year our grade boys team finished in first place in their basketball league and the grade girls team finished second. The high school boys basketball team finished second in the V.M.&N. League.

I thought that previous knowledge of our interests and activities in health and physical education might be of some interest to you.

We are looking forward to your coming with great interest.

Sincerely,

We have baseball games with the University of Missouri on April 27 and 28, but I could come either the 20th or 29th. The 29th would suit me better, as this would be right after our games. If that fits in with your schedule I will be happy to come. May I hear from you at your early convenience, so that I may make a definite reservation on my calendar?

Dear Mr. Allen:

A great deal of interest was aroused in our annual athletic banquet when it was mentioned that we were going to try and get "Phog" Allen to be the guest speaker. Would it be possible for you to come for this banquet? We can arrange to have our banquet on any of the following dates; April 20, 22, 27, or 29. We will give you your choice. We will have fifteen or twenty dollars for your time and expenses.

Personally, nothing would please me more than to have you accept this invitation. I have followed your teams for fifteen or twenty years and have been a backer for your basketball team. There are a number of "good old boys" in this town and community that follow basketball and are very anxious that you come. In fact, they said they would help raise some extra money to get you here.

Hoping that it will be possible for you to be with us, I remain

In counseling the groups on "Physical Education (Men and Women)" at the Senior High-Junior College building, Wednesday, April 22, 10 o'clock, would you please include, in some way, answers to the twenty-one questions enclosed on the mimeographed sheet? Dear Dr. Allen

One thousand apologies. I was mistaken as to the date of our commencement. It is and invitations say - Thursday, May 21, 1942

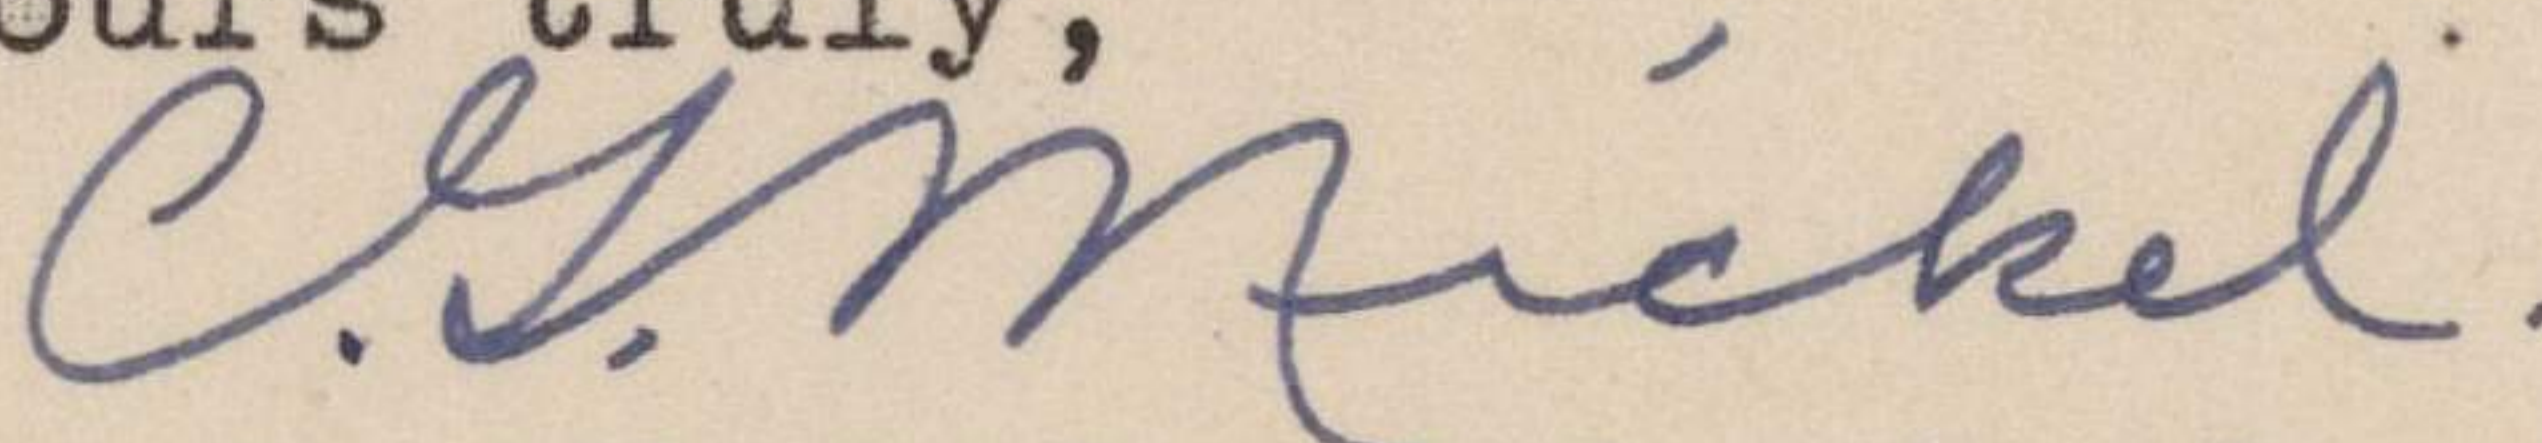

I was given authority to offer you the usual honorarium which still stands should you decide to skip the Humbolt date to save tires.

In event you decide to come here on the date shown - please phone at our expense.

This is the day that we register - again. I foolishly thought that I had made the sacrifice in World War One that should suffice for me and my family. I wonder if we will ever know the old 'freedom' or if it was just the best plan.

Hope you decide to be our speaker, but have a conviction that you will keep the Humbolt date. Trust there has been no inconvenience. Our men here will be disappointed when they hear of our boner - As I wrote that line the director walked into the office with sugar blanks. He was disappointed and suggested a change in date but too late.

Dear Mr. Hamilton:

I have been asked by Captain K. A. MacKenzie, the personnel director of Wentworth Military Academy, to deliver the dedicatory speech for the Ralph L. Conger Memorial Award for Sportsmanship on Sunday, April 26, at 1 p.m. I thought it would be nice to have Mrs. Allen, Sonny and Mary accompany me, and we would like to ask you and Mrs. Hamilton to go down with us.

Since Barrett and Lee graduated from Wentworth and you have been a donor to the stadium, we thought you would enjoy it. We could come by some time Sunday morning and pick you and Mrs. Hamilton up. My car is ample enough to handle the entire family, together with Joan and Libby.

Mrs. Allen was born about three miles from Lexington so she would enjoy getting back to the land of her nativity. Won't you write me and let me know if it is possible for you and Mrs. Hamilton to go with us? We will return after the meeting which should be over by two o'clock, and get back to Kansas City by 3 or 3:30. Of course, if Mary has not returned from California we could take the rest of the outfit without her.

With all good wishes to you and Mrs. Hamilton, I am

Dear Captain MacKenzie:

Thank you for your gracious invitation for dinner at 12 o'clock on Sunday, April 26. We will be very happy to accept.

I have asked Mr. and Mrs. D. G. Hamilton to come with us. Mr. Hamilton is a generous donor to to your stadium, and their two sons, Barrett and Leander P., graduated from Wentworth. Lee is my daughter Mary's husband. Mary is at present in California, but if she returns in time we hope to bring her along, and her three children.

We are looking forward with pleasure to greeting you.
