Mr. John V. Glades,  
114 East 9th Street,  
Topeka, Kansas.

Dear Mr. Glades:

I greatly appreciate your kind invitation to speak to the Senior Hi-Y boys at Camp Wood on Saturday, June 6. However, I am teaching in the Summer Session, which starts on June 2, and will be tied up here on that day. We have school on Saturday, June 6, to make up for the work missed on Monday, June 1, which is Commencement day.

I am very sorry that it is impossible to accept your gracious invitation. I trust that you will have a most successful session at Camp Wood this summer.

With best wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach.

Mr. Phog Allen

Lawrence, Kansas

Dear Mr. Allen:

If possible, we would appreciate your coming to Camp Wood, near Elmdale, Kansas, to speak to the senior Hi-Y boys who will be in session there at that time, on Saturday morning, June 6, at 9:30 A.M. We will be most happy to pay your travel expenses. We would like to have you talk to the boys in regard to physical fitness, helping them realize their responsibility to their bodies. Many boys from over the state have requested that we invite you to camp this year and we all hope that you will be able to accept this invitation.

Sincerely yours,

  
John V. Glades  
Camp Manager

Mr. Sanborn Cook,  
Office of Superintendent of Schools,  
Sabetha, Kansas.

Dear Mr. Cook:

It will be a great pleasure for me to come to Sabetha on Tuesday, May 12, but I am sorry that I cannot bring any of the boys with me. It is near the end of school and we try to protect their studies as much as possible.

I will bring along a film showing part of our Kansas-Kansas State basketball game played here in Lawrence last January 24th. Do you have a projector and someone to operate it?

I will drive my Buick car, and will have to charge 6¢ a mile for the trip. If you think you will not be able to stand that expense don't be backward about telling me. I am happy to come, but felt that you should know in advance what the expense will amount to.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.

May 1, 1942

Dr. F. C. Allen  
University of Kansas  
Lawrence, Kansas

Dear Dr. Allen:

I am writing to supplement our telephone conversation of a few days ago.

Our Father and Son banquet is to be held in the Congregational church, May 12, at 6:30. There will be approximately 120 boys and fathers, who would be interested in an address of your own choice or as has been suggested by some of the club members, some pictures of your basketball team in action.

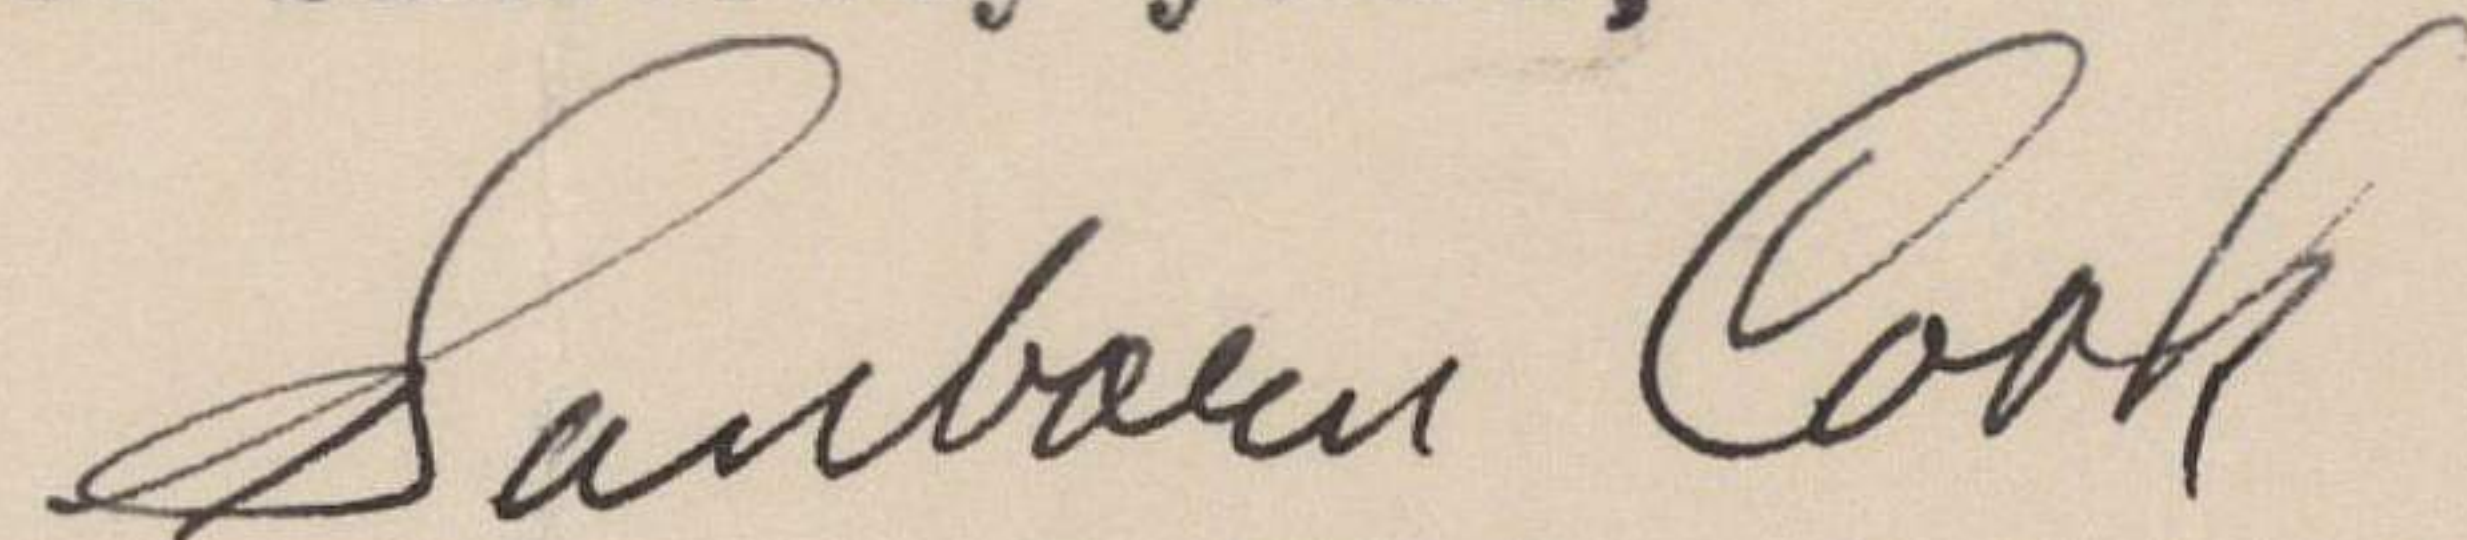

Our community has become very basketball minded during the last two seasons. I am sure these men and their fast growing youths would appreciate any picture you might show. This is only a suggestion which has been handed to me. You do as you choose and I am sure everyone will be pleased.

Another suggestion has been made, by our sponsor Mr. Harp, that possibly there would be a quartet or novelty team that would like to come for the evening. If any such musical unit could be secured to give a fifteen or twenty minute program it would give variety to our program. These are merely suggestions which may handle as to your own liking. Please let us know as soon as possible if you wish to do this.

As was said in the telephone conversation your expense will be paid by our Boys' Club.

Hoping everything to be satisfactory with you, the Sabetha Boys' Club will have the welcome mat out May 12 at 6:30.

Most Sincerely yours,

Sanborn Cook
