Dear Phog:

The Chancellor's office asked you to send either to that office or to me a report of the speakers and other contacts you or your department has had over the state of Kansas. This report has now been forwarded to me and I appreciate your kindness in sending it.

This report will go with the information recieved from other persons and departments into the making of a map of contacts made by the University over the state. This map will either be here at the alumni office or at the Chancellor's office and you are welcome to see it.

Cordially yours,
