Dear Mr. Allen:

If possible, we would appreciate your coming to Camp Wood, near Elmdale, Kansas, to speak to the senior Hi-Y boys who will be in session there at that time, on Saturday morning, June 6, at 9:30 A.M. We will be most happy to pay your travel expenses. We would like to have you talk to the boys in regard to physical fitness, helping them realize their responsibility to their bodies. Many boys from over the state have requested that we invite you to camp this year and we all hope that you will be able to accept this invitation.

Sincerely yours,

John V. Glades
Camp Manager
