Mr. Clifton Cornwell
Director of Bureau of Alumni Activities
State Teachers College
Kirksville, Missouri

Dear Mr. Cornwell:

I have just returned from Kentucky where I find your letter of the sixth instant waiting. Our game with Kansas State is at Manhattan on October 26, but I can make arrangements to be with you on that date, if you so desire.

I am speaking in Ohio on a couple of occasions and several other neighboring states, and for these engagements they are paying me \$50.00. I have always followed the policy of living and letting live. I want you to be perfectly frank and tell me what you feel your school and your association can pay. Doubtless you have arranged for your football officials for that day. For years I have been officiating at football and basketball games and followed the rules very closely, and if this would help in the expense item I would be glad to serve, if it is agreeable.

I assure you it would be a delight to me to meet many of the old acquaintances that I came in contact with some nearly thirty years ago.

I will be happy to have your reply.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
