# K.U. "STAG PARTY"

Not in years have K.U. alumni in Kansas City had a meeting like this one! A good, old-time "Stag Party" .... on the eve of the final game of the K.U. football season! (Kansas vs. Colorado State in Lawrence, November 28th --- Kansas Thanksgiving Day).

Heading our guest list will be Chancellor Deane Malott. This meeting will be our first official welcome to him! Accompanying the Chancellor will be the University's entire coaching staff --- football, basketball and track --- and our guess is that we'll get (and give!) an earful on the subject: "K.U. Football".

There'll be music! .... songs! .... Rock Chalks aplenty! .... and rousing good-fellowship! And refreshments and smokes! No advance reservations are necessary --- but be on time at 8:00 p.m., because you'll miss it if you miss it!
