Dear Sir:

We are having an all Lettermen Banquet at our school the evening of March 7. We would like to engage you as our guest speaker if possible. We are not having a long program so if you wish, your speech need not exceed twenty minutes.

We understand that your fee is six cents per mile. Is that true for all your speaking engagements? We would appreciate hearing immediately that you are available on March 7.

If you are engaged at that time, could you recommend another speaker?

Yours truly,
(Miss) Margretta Chapman
