Miss Margretta Chapman  
Bethel, Kansas

Dear Miss Chapman:

I regret that I have not answered your letter of the 24th instant sooner. My schedule has been such that it has prohibited me from answering my mail as I would like.

This letter confirms our telephone conversation of yesterday morning, and I regret exceedingly that I will not be able to be with you on March 7th. I regret further that since all of our coaches are desirous of witnessing the Kansas-Oklahoma game on that date, that they will be unable to serve you.

Will you kindly convey my congratulations to all of your lettermen upon their achievement. I trust that you will have an enjoyable and worthwhile banquet.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
