Mr. C. H. Collett
Secretary of Wellington Chamber of Commerce
Wellington, Kansas

Dear Mr. Collett:

Your good letter of the fourteenth instant has been received and I will be happy to be with you on Tuesday, December 3. I will plan to get there in ample time so that I can meet some of you gentlemen before the banquet starts. Will you kindly assure President Dale D. Deweese of the fact that I will be there?

The fact that you have had Quigley, Ahearn, and Vic Hurt is assurance of the fact that I will have to throw myself into high gear to compete with these eight-cylinder machines.

We are very proud of the fact that we will have four Wellington boys on our K. U. squad next year, and we are counting on their strength to improve our football team. Certainly Wellington High has done a great job this year.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
