Mr. Bill Powell,
A. G. Spalding Bros.,
1200 Grand Avenue,
Kansas City, Mo.

Dear Bill:

I gave our mutual friend, Mr. O'Donohue, an order for another set of Bobby Jones woods. I wrote Mr. Harry W. Mons, of Chicago, telling him they would be sent.

Friday I received a letter from Mr. Mons stating that they had not arrived as yet. These big business men are very prompt on their correspondence, so I am just writing you asking you to check up and see if the order has gone forward.

Please send the invoice to me.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
