Mr. J. G. McNeely, Principal,

Santa Monica, California.

Dear Principal McNeely:

I am very happy to send you a copy of our basket-
ball research study, requested in your letter of April 10.
I trust that it will prove of interest to you and the others
who see it. It need not be returned to me, as I have other
copies.

It was a pleasure to have a short visit with you at
San Francisco.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dr. Phog Allen,

Laurence, Kansas.

Dear Dr. Allen:

Please send me a copy of your EVALUATION STUDY OF BASKETBALL. I will have Edd Browne, Lendon Scott and Franklin Dillon, all former pupils of yours at Baker or K.U., make comments and return it.

I talked with you briefly in San Francisco after your lecture and demonstration on "The Contribution of Basketball."

Yours very truly,

Principal.

Mr. Joseph P. Grey,
Executive Vice President,
Hotel Whitecomb,
San Francisco, Calif.

Dear Mr. Grey:

Your very good letter of the 11th is at hand. I appreciate your kind words.

I assure you it is not too much trouble to send a copy of the article that we wrote on basketball. This may seem a trifle deep for you with all the statistics. It is a research article, and not an article for popular appeal. The coaches could analyze it a lot better than the laity, but of course this is the kind of stuff they are looking for because they want to improve the play of their teams, and only by meeting progressive competition can they get ahead.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

My kindest regards and looking forward to renewing our acquaintance soon again.
