Dear "Phog:"

I appreciate receiving your fine letter of October 13th in regard to Navy Day, October 27th. I am writing today to the forty Lions clubs in my district asking their cooperation and suggesting that their program for the week of October 27th be a Navy Day program. I think that it is very proper that just recognition be given to this most important date.

I am happy to have the opportunity to cooperate with you on this worthwhile project.

Cordially yours,

Maurice E. Fager
Assistant Director
