Miss Mae Harmon, Secretary  
Mr. F. L. Schlagle  
Chairman for Navy Day  
Kansas City 16, Kansas

Dear Miss Harmon:

The only way that I know to find out how to get this information is to contact the presidents of our Classification Club here in Lawrence and get their district governor to notify their respective districts regarding this day.

Mr. Howard Quigley has left the state and is now in Fairbault, Minnesota, at the Minnesota School for the Deaf. Our time is short, and I think I'll use my own judgement in trying to get the job done the best I can in a very short while.

Unless stationery arrives soon, the date will be upon us before we can use it.

I can appreciate how busy Mr. Schlagle is, but I thought perhaps he had left someone in his office to handle details for him. I imagine, however, that you, like all secretaries, are deluged with other things. Since I have two sons and a son-in-law who are officers in the navy, I assure you I am definitely interested.

Sincerely yours,

Forrest C. Allen, Director  
Department of Physical Education  
Varsity Basketball Coach
