PLEASE REPLY TO:

Dr. F. C. Allen

Lawrence, Kansas

Dear Dr. Allen:

Your letter of September 25, concerning Navy Day, received.

Mr. Schlagle is delivering a series of addresses in the state of Washington at present, however, I have looked into the matter of Kansas Classification Clubs for you. I contacted the local Presidents of the various clubs in Kansas City, and found that no lists were available for Kansas, however, their suggestion was this: that you, when contact is made with the various local Rotary Clubs, that you obtain from them, the names of the Classification Clubs in their city, or write to the National Head of each club.

Mr. Howard Quigley, Olathe, Kansas, contacted the Classification Clubs over the state last year, and it might be well to write to him and see if he prepared such a list.

There will be no list of county chairmen sent to you other than that contained in the letterhead stationery, and there is no special need for you to contact these men. Mr. Schlagle merely wanted to let you know that stationery would be sent to you as soon as men had been appointed for each county so that their names could be turned into the printer. Your supply of stationery should reach you the first of next week.

Yours very truly,

Mae Harmon

Secretary to
Mr. Schlagle
