Ensign Ora William Sapp
Augusta, Kansas

Dear Bill:

Ensign Don Diehl just dropped in for a little visit and during our interesting conversation he mentioned your name particularly. Don said that you would be coming by perhaps in a week and might be coming on to the University to have a "look-see" for a day or so. If such a thing should happen we would like mighty well for you to drop in and say hello to us.

If your visit should happen to be in the afternoon we would like for you to work out with our boys here on the Hill. Our varsity is working every afternoon now either in Robinson or in Hoch Auditorium where we play so please feel that you would be mighty welcome to shoot a few baskets with the Jayhawkers. Don is going to work out this afternoon with the boys. Be a lot of fun meeting this present crop of Jayhawkers. We are hoping that you will be one of them in the not too distant future.

Your old coache's wife Mrs. Shirk, came by to say hello the other day. She was up buying football tickets and came up on the gym floor to say hello. Dave has been in the hospital recovering from a back injury but we are hoping that he soon snaps out of it. I know that we both agree that Lt. Dave Shirk as a coach is tops.

With every good wish and congratulations on your bar, I am

Yours very sincerely,

Director of Physical Education,
Varsity Basketball Coach
