

December 1, 1945.

Mr. H. Clay Smith,
Ravenden, Ark.

Dear Mr. Smith:

The Jayhawkers were crowned champions of the Big Six in 1930 in football. You should have been back in Kansas fifteen years ago.

I have nothing to do with football, am not even Director of Athletics. Mr. Ernie Quigley is Director of Athletics. How some of us like to shed the burdens of responsibility!

I am coaching basketball. If you had made a pledge concerning basketball you would have lived in Kansas most of the time.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
