Mr. Dolph Simons,
Lawrence Daily Journal-World,
Lawrence, Kansas.

Dear Dolph:

Thank you so much for the fine article you wrote regarding Major Elbel's ideas toward the improvement of health of juveniles. I knew that you were interested in it and that is why I wanted you to see it.

The fact that you gave it so much space and your own personal attention I am sure will be greatly appreciated by Major Elbel. I am sending a copy of the Journal-World to him for his perusal. I know that he too will appreciate your very fine review and the display that you gave it.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
