Dr. Forrest Allen,
Director of Physical Education,
University of Kansas,
Lawrence, Kansas

Dear Dr. Allen:

I want you to know that I enjoyed very much having the opportunity to meet you when I was on the K. U. campus last week, and I am especially appreciative of the time and consideration that you gave me.

I was sorry to have missed seeing you again at the square dance on Wednesday evening. I did want you to know that I enjoyed seeing this activity, and apparently everyone was having a grand time. I only regretted that I had to leave to get a train, or otherwise I am sure that I would have been "swinging on the corner" too.

You may have heard by now that I spent some time Wednesday afternoon with Mr. Ingham, and he seemed quite agreeable to sponsoring a workshop, provided the physical education department will direct it. In view of this, he planned to get in touch with you. After talking with you and Miss Stapleton, and if the two of you feel that it would be advisable to go ahead with this, Mr. Ingham stated that he would then call in some of the faculty members from the other departments for a meeting.

I shall be waiting anxiously to hear what decision is made with reference to sponsoring such a workshop.

Sincerely yours,

(Mrs.) Grace Morgan Smith,
Field Recreation Representative,
Community War Services
