Honorable William A. Smith, Justice, Kansas Supreme Court, Topeka, Kansas.

Dear Bill:

果然是这样的 电影 人名巴克里克克

I feel very much flattered in having your son write for my book. Please give him my kindest regards and tell him that I will put him on the list of boys receiving the Jayhawk Rebounds. This list is enlarged many times and I am happy that it is because these letters are going to boys overseas. If you will kindly write me giving me his address I will send him one of the new Rebounds that I am writing, and if you think he would like to have a copy of the one I am sending you, although it is rather old, I will be glad to send that along to him.

Regarding a text on football, there are a number of them that he might be interested in. One is "How to Watch Football", by Lou Little. I believe that would be an entertaining book. Then there is another one, "Practical Football", by Chisler and Wieman (\$3.00), and "Winning Football", by Bernie Bierman (\$2.50). You can purchase these books from Lowe & Campbell Athletic Goods Company, 1509 Baltimore, Kansas City, Mo.

Please write me if I can be of any service at any time, and rest assured that it was mighty fine to hear from you and to know that Donald is interested in reading my book. When you write him give him my kindest regards and tell him he will hear from me.

I saw you at the Simons' fiftieth wedding anniversary, but somehow you slipped out of sight. I did not see you at the football game, and maybe it was just as well. That was a tough game to watch all the way through because our boyd did not do themselves justice that day.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach.
