Mr. C. R. Baxter,  
The Sporting News,  
10th and Olive Street,  
St. Louis 1, Mo.

Dear Mr. Baxter:

Perhaps I was wrong in assuming that my son, Pfc. Robert E. Allen, A.S.T.P. 3305th S. U., University of Pennsylvania, Philadelphia, Pa., would receive the free register.

In your letter of April 26, 1944, addressed to him at Philadelphia you stated that you would be glad to send him the register free as well as the baseball guide and record book. He sent the letter on to me, and it was only through my negligence that I did not send a check to you sooner. I of course have been ordering this for him previously.

If this offer is still good please advise me and I will send you my check for \$3.75 by return mail, and will ask that you mail him the Sporting News together with the offers in your April 26th letter.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
