

June 14, 1944.

Mr. Howard L. Sutherland,
1329 Kentucky Street,
Lawrence, Kansas.

Dear Howard:

I am returning the pledge cards together with our personal check for \$5.00. I have made notations on each one of the cards and I believe they are plainly evident.

The only one I did not sign up was Miss Mabel Barnhart who said that she would want to study her bank balance and make a decision later.

I did not contact Mr. Warren Zimmerman who had made a pledge of \$25.00 and Mrs. Young who has given \$10.00. I thought they had given a sufficient amount.

Mr. Leo Applegate has no phone so I have written him a letter, a carbon copy of which is enclosed. I am asking that he get in touch with the office and perhaps the church secretary can follow through on this.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
