Dear Dave:

I have delayed a little in sending you this information which Mrs. Hulteen garnered from the files. I trust this will be of some benefit to you.

You certainly have a sizeable athletic program, and while you may find it a big job, I know from past experiences that you will tear into it with your characteristic vigor, honesty and enthusiasm, and will get the job done.

We are working on our new Jayhawk Rebounds, so we will try to send you the chatty stuff in the Rebounds.

With all good wishes to you and yours, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
