much. We are classified as a Technical outfit.

I want to thank you very much for mailing the Jayhawk Rebounds to me. It's really great to be able to read about the boys from K. U. The last I saw of a large bunch was last March, a year ago, when we were at the Leavenworth Reception Center. Since then even they have been widely scattered. I had a lucky experience - while on maneuvers in Texas in March. I lost my brother's address and a few days later received the Jayhawk Rebound with a letter he had written and also his address.
