Miss Vivian Clark, Secretary,
School of Education.

Dear Miss Clark:

We are now working on our schedule for the spring semester and will send copy to you just as soon as it is ready. We will also include the conditioning schedule for the spring.

Yes, we are busy over here, but we are trying to get the job done.

I am enclosing my check for membership in the Kansas State Teachers Association.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
