

# Omaha's Finest

If you want a bargain in comfort, stay at the Fontenelle. Unquestionably the center of things. Atmosphere of genial hospitality. Such service, courtesy and comfort to make every minute of your stay a pleasure. Excellent food at sensible prices.

—SDEA INVITES ALL TEACHERS TO MEMBERSHIP—

In case two members ask for the floor at the same time, the President should recognize the one rising first.

A nomination does not require a second but any person desiring to second a nomination just to show that he supports the candidate, may do so.

Voting for officers should always be by ballot, if there is more than one candidate. If there are three or more candidates, voting should continue until one receives a majority—one more than half of the votes cast.

A regular meeting should not take longer than 30 or 40 minutes, if all officers know their work and have thought out their business beforehand. All important motions should be written out before they are presented in the meeting. For further suggestions, see Rules of Order Article XVII of the By-Laws. Study some book such as Roberts' Rules of Order.
