Mr. J. O. Bettis,
Sears, Roebuck & Co.,
Topeka, Kansas.

Dear Mr. Bettis:

I have received your letter of October 5th, in
which you say a friend of yours is collecting footballs
which are usually sold for \$2.50 at the football games.

I am assuming that you refer to football programs
which are sold for that amount at the football games. I
am enclosing herewith the program of the Texas-Kansas game
held in Lawrence on September 24.

Please advise if you are unable to furnish
me this wooden football

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
