

New MAP STENCIL SERVICE

See Our
Exhibit at
the SDEA
Convention

Outline maps — clean cut, clear, accurate in every detail, at a fraction of former cost — from Prepared Mimeograph Stencils.

The stencil is completely prepared, ready for use.

SUBSTANTIAL SAVINGS

Every school using outline maps can effect substantial savings through this service. These stencils can be used on any model Mimeograph.

We shall be pleased to submit samples and a price list.

AND OTHER NEW SERVICES

This is just one of many new money-saving, time-saving, "teacher-saving" services of the Mimeograph Process. We welcome an opportunity to tell you of other services. A. B. DICK COMPANY.
