INTERCOLLEGIATE ATHLETICS

Dear Don:

Here are your individual rebounds in our game here:

Dobbs	3
Kelley	5
Born	11
Patterson	3
Anderson	3
Heitholt	1
Wolfe	1

—
27

We had a total of 29 rebounds.

Don, I'm mailing you separately two glossies -- that one of Doc and you, which might be of some use to you, and another of Dobbs pumping a jump-shot. Pretty good action of Dobbs, thought you might want it. #23 is our Elmore.

When you finish up that book on Phog -- the shot of you and he together will be much in demand by the book publishers.

Regards,

Bill
