Mr. John T. Andrews,  
Kansas Public Service Co.,  
Lawrence, Kansas.

Dear Jack:

I want you to know how very much I appreciated your very kind letter of October first concerning the article which appeared in The Rotarian on subsidization. Your letter was full of much thought, and I treasure it very highly.

I look for an opportunity some time in the future when we may sit down and chew the fat for a long interval and iron out some of these difficulties; at least, to our own satisfaction.

With all good wishes, I am

Fraternally yours,

Director of Physical Education,  
Varsity Basketball Coach.
