Mr. Eric Tebow
Superintendent of Schools
Harper, Kansas

Dear Eric:

I want you to know it was a great pleasure to have a visit with you and Mrs. Tebow and your other good friends at Harper upon my last visit to your friendly little city.

With your multitudinous duties, I am sure you cannot get everything done, but I am dropping a friendly reminder asking if you can mail a check for my expenses some time in the near future. I have a number of these items and unless I check them over and endeavor to get collections, my general experience has been that I miss one occasionally. Doubtless the check is on the way and my face will be red, but I know you will understand that it is necessary for a fellow to check these items when he does a lot of travelling.

With all good wishes for your continued success and the health and happiness of the Tebow family, I am

Sincerely yours,

Dear Mr. Griffith:

Would it be possible for you to send me honorarium
or my check, either one, for my last contribution to your
Athletic Board?

I would appreciate this remittance very much as I'm
endeavoring to get in a number of outstanding items before the
close of the school year.

With all kindest regards, I am,

Sincerely yours,

Superintendent
Eureka Public Schools
Eureka, Kansas

Dear Mr. Kampschroeder:

I was happy indeed to have been present with you and the boys last Thursday, May 1. It was nice of you to say the complimentary things you have said regarding my address.

I was very sorry that I took the wrong road and travelled several miles out of the way, causing you, as well as myself some anxious moments. But, after getting there, I assure you it was a very happy time for me.

Thanking you for returning the mat, I am,

Sincerely yours,
