Mr. W. C. Kampschroeder  
Superintendent  
Eureka Public Schools  
Eureka, Kansas

Dear Mr. Kampschroeder:

I was happy indeed to have been present with you and the boys last Thursday, May 1. It was nice of you to say the complimentary things you have said regarding my address.

I was very sorry that I took the wrong road and travelled several miles out of the way, causing you, as well as myself some anxious moments. But, after getting there, I assure you it was a very happy time for me.

Thanking you for returning the mat, I am,

Sincerely yours,
